INTERMEDIATE/ADVANCED CLASS

Once you have **consistently** attended 6 months of Polynesian Dance Class and you know the basics and you can perform them correctly, you may try the **INTERMEDIATE/ADVANCED CLASS** (formerly known as the **PERFORMANCE Class**).

INTERMEDIATE/ADVANCED Class is \$70 a month. It is taught at a much **quicker pace** than the **Beginners Class**. Being in this class you will also be required to purchase a number of costumes. You will not have to purchase them all at once, but you must make an effort every month. When you are **consistently** part of Inter/Adv Class for a year and you participate in **99%** of scheduled performance you would get a discount rate for classes. A student may still participate in designated shows even if the student is not in the Intermediate/Advanced Class.

Mauru'uru, Mahalo and Aloha from Auntie Josie Kealoha
